## Commander's Update By RADM Paul C. Dyl

**Rear Admiral  
Paul C. Dyl**

Greetings everyone!

Here on the bridge we have been easy once again. Since our last newsletter our two Launched Chapter's are doing very good. The USS George Washington has a crew of 30 and they have 2 more pending a transfer from the USS Dominion. The USS Bellerophon has held two meetings now and continue to organize and work on their handbook.

Our next issue of the newsletter will start Edition 11 and Issue 1. I want to thank Jessica Lloyd with helping me work on the newsletter this month. With out her help, I would not have finished as soon as I did.

### **New Members**

I want to take this moment to recognize some new additions to our crew. Please welcome Mike Coots, Rita Coots, Taylor Coots, Michael Coots, and Turner Coots.

### **R1 Annual Awards Update**

About two weeks ago the R1 Awards Director announced a change in the R1 Annual Awards which basically stated that if an Individual or Chapter wins two consecutive times for the same award, then that Individual or Chapter would have to wait two

years before they can compete in that same category. So as an example since the USS Helen Pawlowski won the R1 By-Monthly Newsletter of the year for the last two consecutive times (2012 and 2013) then we can not compete in that category until 2016. Now I have no problem with that. We know we do a good newsletter and we do not have to win all the time. But a chapter did complain and

felt it was not fair. I had called for a vote by all chapters and let them be the deciding factor. I am happy to announce that the vote is over and with a 2-1 vote, the two year wait is now official.

### **R1 Co-Treasurer Announced**

Congratulations to RADM Barry Jackson, CO of the Station Robert De Bruce on his appointment! We wish him all the best.

### **Chapter Web Site Completed!**

Yes, finally after years of claiming we would have our own site, we finally do. I want to thank Mike Timko for all his help in both working on the site and teaching me how to use the program so that I could finish the site. When you get the chance, please check it out and tell me what you think of it. The URL is below:

<http://helenpawlowski.wordpress.com/>

### **Chapter Handbook**

The Handbook continues to idle as we continue to work on some of the coding and grammar checks! I do hope to make some headway soon on this.

### **CQ News!**

STARFLEET, Chief Communications announced that issue #179 is now available online to download. You will need to log into the SFI database and go to the Communications link on the left to download it or other back issues.

### **New Department Heads**

I am very happy to announce the following Department Head position fills: ENS Patrick Condry is the new Chief Security Officer, 1LT Douglas Kirk is the new Chief Joint Special Operations Officer and ENS Jessica Reynolds is the new Chief Support Services Officer. Please take the time to congratulate them and I look forward to working with on the Command Staff.

### **Department Head Vacancies**

We still have some key ship positions vacant. The current vacancies are: Chief Operations, Chief Diplomatic Corps and Chief Communications. For more information please read the vacancy announcement later in the newsletter and the chapter handbook.

### **Other Chapters**

As many of you may have heard, we had two groups leave us to other chapters so that they can launch their

## First Officer's Update By ADM Dave Miller, MD

Greetings fellow crewmembers! Having personally known Helen Pawlowski for almost two decades, it is my distinct honor and privilege to serve as our chapter's Executive Officer.

For those who don't know me, I have been a member of Starfleet since 1988, served as a correspondence chapter CO for 15 years, and am the former Chief of Staff of both Region 12 and Starfleet. A lifelong Trek fan and watcher of the original series when it aired, I answered Bjo Trimble's call and wrote to NBC at the age of 7 to help bring back TOS for its third and final season.

One of my first major duties was representing the chapter at Starfleet's 2014 International Conference in Rockford, Illinois, celebrating Starfleet's 40th anniversary. Being a short five hour drive from St. Louis, I fired up the Admiral's launch, grabbed a bunch of music CDs and set coordinates for Sol III, northern Illinois sector. The last IC I had attended was twelve years ago in San Jose, California, but the time just disappeared the moment I arrived and promptly ran into a number of old friends – David and Linda Kloemp-

ken, former CS Jim Herring, current Ops Chief Robert Westfall, current CompOps Chief Larry French, current Fleet Chief of Staff Denine Sanders, and current CS Wayne Killough, to name a few. There were also a large number of new faces and friends to meet.

The chapter was recognized for perfect on-time MSR reporting and I

also represented our Marine Strike Group during the annual Marine Muster where RADM Paul Dyl received SFMC Academy honors as "Student of the Year" and was inducted into the SFMCA Team Delta. Join me in congratulating him on these outstanding awards!

Other highlights from the International Conference included: the launching of the USS Orion and the commissioning of the USS Missouri, both from Region 12; members attending from as far away as Canada and Scotland; a current total of 4,773 members on 242 chapters in the Fleet; over the last year Fleet lost 13 chapters but gained 11 new shake-down chapters; Honorary Membership awarded to Matt Ingles of Region 15, Lifetime Membership awarded to Laura Victor of Region 7; chapter longevity awards culminating in the recognition of the USS Eagle of Region 4 for 35 years continuous service; the awarding of IC 2016 to Louisville, Kentucky; and the announcement that Star Trek Magazine will feature Starfleet's 40th anniversary in their October issue later this year.

That's it for this issue. Let me settle in and get up-to-speed on our departments, projects and programs (hey, Paul, I can't find the keycode to the executive washroom). I'll have much more to report in the next issue.

My honor is to serve,  
ADM David A. Miller, MD  
First Officer

## COMMANDER, STARFLEET By FAMD WAYNE KILLOUGH

I hope everyone had a safe and happy Labor Day weekend (or at least a safe and happy weekend)! I was moving all weekend and my back is still pointing out the error of my ways! Coming back to work yester-

day was crazy due to the holiday weekend, but I had some downtime today and I wanted to take a moment to send a quick update to let everyone know how things are coming along at Headquarters.

For those who were unable to attend IC, you missed a treat. Thanks go out to Admiral Jeff Higdon and his Staff for providing a very memorable event.

It took longer to get back home than anticipated (storms, low fuel on the

plane, rioting in St. Louis, etc.), but I finally made it back. I was greeted with a fantastic stack of work that appeared while I was out of town, so playing catch-up has been hot on my list.

I would like to personally congratulate all award winners and promotion recipients at IC this year. This outstanding group of individuals dedicated themselves this past year (and previous years) to the betterment of STARFLEET, and that level of service is definitely appreciated!

Fantastic job!

Continued on page 6

## COMMANDER, STARFLEET CONT.

Continued from page 5

As you saw from Liz's posts, the CQ is finally 100% caught up (my fingers were shaking as I typed this!!). Many thanks go out to Rear Admiral Liz Woolf, Captain Michael Garcia, Admiral Mary Kane, and the entire CQ Team for their hard work these last few weeks in driving this home to completion. Liz and Michael are working on Issue #180 (submission deadline was actually this past Sunday) and our 40th Anniversary Issue (submission deadline of 9/30/2014), so please make sure you submit those articles!

We have some fantastic 40th Anniversary merchandise in the Quartermaster's Office. Please make sure you check out the merchandise and get you some SFI 40th Swag!

We have some files out on the website that may interest you, so here is a breakdown of what has been added:

-- AB Meeting Minutes Section: The AB-approved ECAB Minutes from both the Pre-IC Conference Call and the ECAB Meeting at IC (both meetings held in 2013) are now available for review. More of these will be added as they are approved by the Admiralty Board.

-- Command Status Reports Section: The April edition of the CSR is ready for your review. The May edition is going through final review now and then it will be ready for the website (followed shortly thereafter by the June and July editions).

-- International Conference Resources Section: At IC I was presented two Proclamations for STARFLEET. The first was from Lawrence Morrissey, Mayor of Rockford, who proclaimed the week of August 4, 2014 as "STARFLEET 40th Anniversary Week". The second was from Illinois State Senator Steve Stadelman, who proclaimed that the "Senate of the Ninety-Eighth General

Assembly of the State of Illinois recognize and congratulate STARFLEET on the occasion of its 40th anniversary celebration". Senator Stadelman was actually present at IC to present this proclamation, and it was great meeting him. He was very impressed with the work STARFLEET has accomplished over 40 years and he was excited that IC during our 40th Anniversary was being held in his home state of Illinois.

General Linda Olson and I have been getting a head start on the annual 990 Report that must be filed for STARFLEET. This process isn't too difficult, but for someone who has not had experience with this report, it could lead to some very nasty headaches. I am working on some documentation surrounding this annual report that will hopefully help the next administration with filling it out, submitting it, etc.

Update on Vice Admiral Marian L. Murphy: As many of you already know, Marian broke her hip during IC this year. She has had two surgeries and was temporarily sent to a rehabilitation center in Rockford to strengthen herself for the trip back to Texas. Unfortunately, things are not going as planned. She was taken back to the hospital for yet a third surgery. I am still waiting to hear the results of this surgery. Please keep Marian in your thoughts and prayers while she is going through this difficult time.

Fleet Admiral Dave Blaser (IC2015 Chair), Vice Admiral Tammy Willcox (Scholarship Director), and many others have been providing great information on both the Scholarship Program and the IC2015 Space Camp Charity Fund. These two programs are very worthy causes. If you are able to contribute and feel the way I do about these programs, please do what you can. To make a donation to the Scholarship Program, you can send money via PayPal to [scholarships@sfi.org](mailto:scholarships@sfi.org). To make a donation to the IC2015 Space Camp Charity

Fund, you can send money via PayPal to [ic15epayments@sfi.org](mailto:ic15epayments@sfi.org). We appreciate your support of these programs!

There have been two resignations within the last month. First, Lieutenant General Larry French, Sr. has resigned as the Chief of Computer Operations. Rear Admiral John Halliday, as his Vice Chief, will be handling this department until a permanent replacement is determined and presented to the Admiralty Board for confirmation. Second, Major General Bruce O'Brien has resigned as the Region 11 Coordinator. Sergeant Major Marie Smith, as his Vice-Regional Coordinator, will be serving as Interim RC until an election can be held. I would like to personally thank both Larry and Bruce for their service to STARFLEET and our members.

Don't forget, if you have any questions or notice any issues (missing packet, membership not processed, errors in Database, missing items on website, etc.), please let us know. The STARFLEET Help Desk (<http://helpdesk.sfi.org>) is a perfect way to relay this information and to have your request tracked. Captain Melissa Hadley, Captain Michael Garcia, and their team have been doing a wonderful job handling first-line items.

As always, if you have any questions, please do not hesitate to ask.

In Service,

Wayne

Fleet Admiral Wayne Lee Killough, Jr., SFMD Commander, STARFLEET Commanding Officer, Retribution Station, SFR-1202 Director, College of Medicine, STARFLEET Academy Toll Free: 1-888-SFI-TREK (734-8735) ext. 701 [cs@sfi.org](mailto:cs@sfi.org)

## Commander's Update Cont.

*Continued from page 4*

own chapters. This was done for two reasons. First, we already are supporting two chapters and with the turn-over of experience, I felt that any-more could strain us. Second, it gives those members a chance to see how another chapter works. We will still be here to help if needed.

### ***New Chapters in Training***

We still have two groups planning on launching chapters, The USS Panther and the USS Gallifrey. They are still trying to organize themselves as both groups proposed CO and XO want to have 10 members to start with and they want the OTS and OCC requirement completed ahead of

time. So I expect to hear more over the next month or two.

Well my time is up, so I hope to have more for you in two months.

Paul C Dyl  
Commanding Officer

## IC 2014 Annual Awards

From the International Conference in Rockford, IL, here's the Annual Award Winners:

**Shakedown Chapter of the Year:**  
USS Zebulon Pike, R17

**Support Ship of the Year:**  
ISS Isaac

**Chapter of the Year:**  
USS Challenger, R7

**Officer of the Year:**  
FCAPT Denise James  
USS Ronald McNair, R1

**Junior Member of the Year:**  
Cadet 2LT Charlotte Wilson  
USS Isaac, R11

**Flag Officer of the Year:**  
LGEN John Roberts  
USS Anasazi, R17

**Commanding Officer of the Year:**  
Commander Jeremy Bergdoff  
USS Odin, R2

**Enlisted Member of the Year:**  
SMAJ Marie Smith  
USS Isaac, R11

### ***Honorary and Lifetime Memberships***

**Honorary Member:**  
BGN Matt Ingles  
USS Constitution, R15  
**Lifetime Member:**  
Admiral Laura Victor  
USS Challenger, R7

### **SCHOLARSHIPS**

**Engineering & Technology Scholarship**  
Aleksander R. Nordgarden-Rodner,  
USS Vanguard, Region 9

### **Medicine & Veterinarian Scholarship**

Kylie Larkin  
USS Revelation, Region 1

**Artistic Scholarship**  
Ashley R. Walker  
USS Bellerophon, Region 1

### **Business/Management/Education Scholarship**

Scott Alexander John Peter  
USS Alba, Region 20

### **Space Explorers' Memorial Scholarship**

Galen L. Pischke,  
USS Kitty Hawk, Region 1

There were many Awards from Starfleet Academy and the STARFLEET Marines but we could not print them all. For more information see the following links:

# USS HELEN PAWLOWSKI Promotions Update

## By RADM PAUL DYL

As the Commanding Officer promoting a deserving crewmember is one of the key duties I enjoy most. Again congratulations to you all.

to the chapter promotion system, please reference your Regulation 100.

las Kirk and Carl Mogilka.

Any promotions that were either denied or returned without action will be sent back to the Department Chief with an explanation as to why the promotion was denied.

### Promotion to Ensign

**Carl Mogilka**  
Engineering

Please review the Time in Grade requirement in Regulation 100. If you feel that you qualify for a promotion, see your Department Head. She/he will assist you in completing the chapter promotion worksheet and having it submitted to the Operations Department

### Promotion to Commander

**Jessica Reynolds**  
New CO USS Liberty

Remember that for Officer ranks, OTS is a prerequisite and depending on the rank being recommended for, OCC could also be a prerequisite.

**Heather Fikes**  
New CO USS Freedom

The next promotion board has been changed to September 20th. The board members will still be Paul Dyl, Gary Reynolds, Kattie Staples, Doug-

If you have any questions pertaining

# Engineering Officer's Update

## By LTJG Gary Reynolds

**LTJG Gary Reynolds**

Hello once again to another issue of the Guardian!

Over the past month the Engineering Department assisted with finding some of the System Displays and then modifying them to reflect the different chapters that are represented in the chapter websites that we have built for our new chapters in training.

We also have added a several more ship classes and schematics to

our library this month. We still have had some trouble with the database as we continue to archive all the data files. We are making some headway but we are still encountering a hiccup or

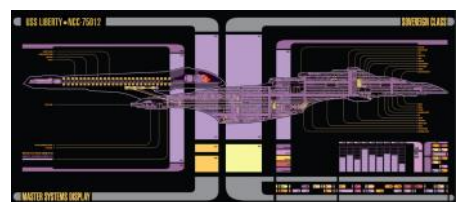

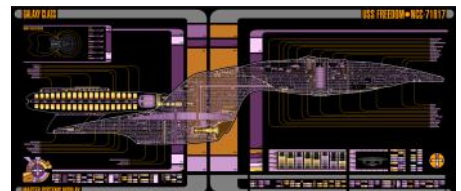

two as we move forward. If database management is your interests, we still need you! Please volunteer and lend us a hand.

The Engineering Department has plenty of vacancies and in all sec-

tions. If you're interested with ship and equipment design and how it all works, or you like building or even modifying starship models, please look at the Engineering section of the membership handbook for further position descriptions.

That is it for my report, I look forward to my next report.

LTJG Gary Reynolds  
Chief Engineering Officer  
[USSPawlowskiEngineering@ec.rr.com](mailto:USSPawlowskiEngineering@ec.rr.com)

## Marine Officer's Update By 1LT Douglas Kirk

1LT Douglas Kirk

Hello Marines!

I would like to thank Admiral Dave Miller for representing the 120th MSG at the Marine Muster during this years IC 2014. I wish I could have been able to attend, but maybe in 2016.

During the Marine muster, our very own Rear Admiral Paul Dyl was made a member of the SFMCA "DELTA TEAM" and was also the SFMCA Student of the Year. Job well done!

Speaking of the SFMCA, we still have some newer members who need to get started on their MOSC courses.

The Infantry Branch Director is on our ship and if you have any questions, ask him! I know Rear Admiral Dyl will help you and put you on the right direction.

These past two months members of the 120th completed 2 SFMCA course and 43 SFA courses and we conducted our monthly gaming session of Modern Warfare; Back Ops II. We had 11 participants total and of those 11 we had members from the 130th MSG (USS George Washington), 129th MSG (USS Bellerophon), 117th MSG (USS Freedom), and the 121st MSG (USS Liberty). If you have an XBOX 360 and the games Modern Warfare: Black Ops II or Ghosts and an internet connection, then you are more then welcomed to join in.

We still have plenty of the 120th MSG unit patches available for sale and also Chapter Patches. For more information, please contact Paul Dyl.

Until next time....

1LT Douglas Kirk  
120th MSG OIC  
[USSPawlowskiMarine@ec.rr.com](mailto:USSPawlowskiMarine@ec.rr.com)

## 119th M.A.C.O. Officer's Update By MG Paul C. Dyl

MG Paul Dyl

Greetings MACO's!

Things with the Starfleet Special Operations are moving forward. Over the past 2 months I have participated in 8 teleconferences and I am currently assisting with working with Rear Admiral Barry Jackson on procurement for TOS style awards and also working with Fleet captain TJ Allen with the Special Operations Awards Manual.

ALL MACO's, you need to start working on your MACO training quali-

fications. For months now I have been sending out reminders and

hints that if you want to be a MACO, you need to complete your required training courses. Congratulations to Captain James Nelson for completing the Special Operations courses and will soon be a fully qualified Team Leader very shortly. The remaining of will to do is take the SFM-

CA PD-100 exam. This course is required before anyone can take any other courses at the SFMCA. Once you complete that, if you are enlisted, you will need to take the NCO-100 course, if you're an officer, then you will need to complete SFA course OTS.

Once you have completed those courses you are now MACO candidates. You are now ready for your training which has a total of something like 47 courses at the SFA Special Operations Collage. Make sure you're updating me as to your progress. Once you complete these courses you will be a MACO operative. If you have any questions, call me! I will point you to the right resources etc.

Well that is all I have for now. Take care, and be safe,

MG Paul Dyl  
119th MACO, OIC  
[pdyl@ec.rr.com](mailto:pdyl@ec.rr.com)

# Communications Officer's Update

## Vacant

Position for USS Helen Pawlowski Chief of Communications is now open for applications.

The Chief of Communications can have many duties, including, but not limited to: Publication of the chapter's bi-monthly newsletter the "Guardian", Interaction with the region's Publications Officer and RDC Communications. Assists with the chapter publications such as certificates, Membership Handbook and flyers.

### Job Qualifications:

- Be a member of Starfleet in good standing for at least one year.
- Be a member of the Chapter in good standing for at least 6 months.
- Preferably a "knowledgeable" person on the subject matter.
- Passed OTS.
- Passed OCC or working on it which must be completed within six months of appointment to the Chief of Communications position.
- Must have reliable internet access each day.

- Must have reliable e-mail access each day. The fact that the internet and e-mail are now the most used forms of communication force this to be a requirement for a Department Chief.
- Sense of humor and a great attitude. Absolute musts!!!!
- Demonstrated leadership abilities, this could be on your department or in real life or both.
- Have pride and enthusiasm in the chapter.
- The ability to perform duties in a timely and responsible manner.
- Must report to the chapter's First Officer each month on or before 10th of the month.
- Contribute to the STARFLEET Communique and Region One CHANNEL 01 on a regular basis.
- Contribute to the chapter newsletter about your department on a regular basis.
- Must continue to contact members and spread the word about your department to new members.
- Must continually improve your department to make it fresh and interesting for the chapter.
- Must take pride in the job and serving as a chapter Department Chief.

While it is true that this is a volunteer position, you will have certain duties that MUST be done regularly as a Department Chief.

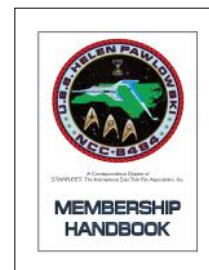

- Willingness to invest personal time, effort, money for postage, and etc. to perform an important, but sometimes thankless, job for the benefit of Region One's members.
- Specific requirements for the position you are applying for can found in the chapter Membership Handbook under the specific department you are looking for.

If you are interested in applying, send what you think is pertinent in your Real Life Resume and Fleet Resume with a paragraph detailing what you would do with the department if chosen as the Chief Communications Officer.

Thank you,

RADM Paul Dyl  
CO-USS Helen Pawlowski  
[USSPawlowskiCO@ec.r.com](mailto:USSPawlowskiCO@ec.r.com)

### Requirements of the Job:

## Medical Officer's Update By ADM David Miller, MD

ADM David Miller

### Adult Vaccines

Immunizations aren't just for kids! Sure, we all know about the need for an annual flu shot (in fact, you may be seeing info advertising the availability of flu shots in your communities now), but did you know that there are a whole host of other vaccines recommended for adults?

In case you didn't, here's a great list to get you started (with help from [www.immunize.org](http://www.immunize.org)). Remember – you're never too old to get immunized!

#### Hepatitis A (Hep A):

You need this vaccine if you have a specific risk factor for hepatitis A virus infection or simply want to be protected from this disease. Most states also require this vaccine for food handling jobs. The vaccine is usually given in 2 doses 6-18 months apart.

#### Hepatitis B (Hep B):

You need this vaccine if you have a specific risk factor for hepatitis B virus infection or simply want to be protected from this disease. The vaccine is usually given in 3 doses, usually over 6 months.

#### Human papillomavirus (HPV):

You need this vaccine if you are a woman age 26 years or younger, or a man age 21 years or younger. Men age 22-26 years with a risk condition

also need vaccination. Any other man age 22-26 who wants to be protected from HPV may receive it, also. The vaccine is given in 3 doses over 6 months.

#### Influenza (flu shot):

You need a dose every fall (get them now if available as the flu experts say it will work during the peak flu season of January-March) for your protection and for the protection of others around you.

#### Measles, mumps, rubella (MMR):

You need at least 1 dose of MMR if you were born in 1957 or later. You may also need a 2nd dose.

#### Meningococcal (meningitis):

You need this vaccine if you have one of several health conditions, or if you are 19-21 years old and a military recruit or first-year college student living in a residence hall or dorm and you either have never been vaccinated or were vaccinated before age 16. You also need this vaccine if you had your spleen removed.

#### Pneumococcal (pneumonia shot):

You need 1 dose at age 65 years (or older) if you've never been vaccinated or you were previously vaccinated at least 5 years ago when you were

younger than 65. You also need 1-2 doses if you smoke cigarettes or have certain chronic health conditions. You also need this vaccine if you had your spleen removed.

#### Tetanus, diphtheria, whooping cough (pertussis) (Tdap, Td):

All adults who have not yet received a dose of Tdap, as an adolescent or adult, need to get the Tdap vaccine (the adult whooping cough vaccine). After that, all adults need a tetanus booster (Td) every 10 years, or every 5 years for a "dirty" wound (rusty metal, dirt in a wound, animal bites, etc.).

#### Varicella (chickenpox):

If you've never had chickenpox or were vaccinated but received only 1 dose, talk to your healthcare provider to find out if you need this vaccine.

#### Zoster (shingles):

If you are age 60 years or older, you should get a 1-time dose of this vaccine now.

#### Hib (Haemophilus influenzae type b):

(Not to be confused with the other influenza shot noted above.) Some adults with certain high-risk conditions need the Hib vaccine. Talk to your healthcare provider to find out if you need this vaccine. You also need this vaccine if you had your spleen removed.

#### Dr. Dave Disclaimer:

Do consult your healthcare provider to determine your level of risk of certain infections and your need for certain vaccines. Travelers to some parts of the world or people with professions that bring them into contact with animals might need other vaccines.

# Operations Officer's Update VACANT

Position for USS Helen Pawlowski Chief Operations Officer is now open for applications.

The Chief Operations Officer can have many duties, including, but not limited to: Assisting with the day to day operations of the chapter. To accomplish this task, the Chief of Operations maintains the chapter personnel database, produces award certificates, promotion certificates and processing of new members.

### Job Qualifications:

- Be a member of Starfleet in good standing for at least one year.
- Be a member of the Chapter in good standing for at least 6 months.
- Passed OTS.

- Passed OCC or working on it which must be completed within six months of appointment to the Chief of Joint Special Operations position.
- Must have reliable internet access each day.
- Must have reliable e-mail access each day. The fact that the internet and e-mail are now the most used forms of communication force this to be a requirement for a Department Chief.
- Sense of humor and a great attitude. Absolute musts!!!!
- Demonstrated leadership abilities, this could be on your department or in real life or both.
- Have pride and enthusiasm in the chapter.
- The ability to perform duties in a timely and responsible manner.

While it is true that this is a volunteer position, you will have certain duties that **MUST** be done regularly as a Department Chief.

- Willingness to invest personal time, effort, money for postage, and etc. to perform an important,

but sometimes thankless, job for the benefit of chapter members.

Specific requirements for the position are available in the chapter Membership Handbook under the department for which you are applying for.

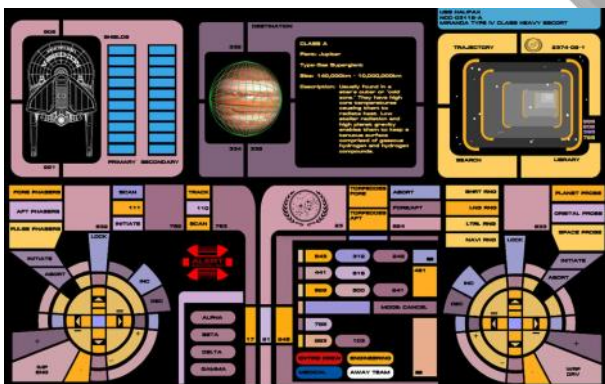

### Requirements of the Job:

- Must report to the chapter's First Officer each month on or before 10th of the month.
- Contribute to the chapter newsletter on a regular basis.
- Must continue to contact members and spread the word about your department to new members.
- Must continually improve your department to make it fresh and interesting for the chapter.
- Must take pride in the job and serving as a chapter Department Chief.

If you are interested in applying, send what you think is pertinent in your Real Life Resume and Fleet Resume with a paragraph detailing what you would do with the department if chosen as the Chief Operations Officer.

Thank you,

RADM Paul Dyl

## Diplomatic Officer's Update Vacant

Position for USS Helen Pawlowski Chief Diplomatic Corps is now open for applications.

The Chief Diplomatic Corps can have many duties, including, but not limited to: Coordination with both STARFLEET chapters and other Trek related organizations such as KAG, Romulan Star Empire etc. The Chief diplomatic Corps Officer also maintains information about the different races found in the Star Trek Universe and assists members with source information with courses at SFA.

### Job Qualifications:

- Be a member of Starfleet in good standing for at least one year.
- Be a member of the Chapter in good standing for at least 6 months.
- Preferably a "knowledgeable" person on the subject matter.

- Passed OTS.
- Passed OCC or working on it which must be completed within six months of appointment to the Chief of Joint Special Operations position.
- Must have reliable internet access each day.
- Must have reliable e-mail access each day. The fact that the internet and e-mail are now the most used forms of communication force this to be a requirement for a Department Chief.
- Sense of humor and a great attitude. Absolute musts!!!!
- Demonstrated leadership abilities, this could be on your department or in real life or both.
- Have pride and enthusiasm in the chapter.
- The ability to perform duties in a timely and responsible manner.

While it is true that this is a volunteer position, you will have certain duties that **MUST** be done regularly as a Department Chief.

- Willingness to invest personal time, effort, money for postage, and etc. to perform an important,

but sometimes thankless, job for the benefit of chapter members.

Specific requirements for the position are available in the chapter Membership Handbook under the department for which you are applying for.

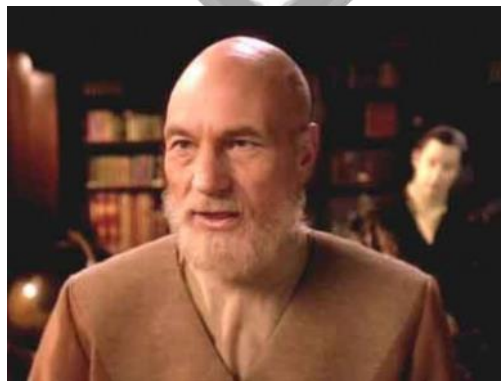

### Requirements of the Job:

- Must report to the chapter's First Officer each month on or before 10th of the month.
- Contribute to the chapter newsletter on a regular basis.

# Science Officer's Update

## By LTJG Kattie Staples

two years ago. Officials say drilling could begin as early as next week at an outcrop of rocks called Pahrump Hills.

Mount Sharp, located in ancient Gale Crater, rises nearly 3½ miles.

A scientific review panel has criticized the Curiosity team for an extended mission that involves too much driving and too little sampling. On Thursday, project scientist John Grotzinger

of the California Institute of Technology promised "we are going to do a lot more drilling" now that the six-wheel Curiosity is at Mount Sharp.

NASA says Curiosity remains healthy, aside from worn wheels.

Until my next report!

LTJG Kattie Staples  
 Chief Science Officer  
[Kattie.Staples@ec.rr.com](mailto:Kattie.Staples@ec.rr.com)

Hello everyone!

I am sorry that the activities for August were canceled. I would have preferred to go on the trip then getting sick! But I am doing better now and I happen to see this article from [www.Space.com](http://www.Space.com) and wanted to share it with you.

NASA's Curiosity rover is about to conduct some serious scientific drilling at Mars.

The space agency announced Thursday (September 11) that the rover has reached the base of Mount Sharp, its destination since landing

June 23, 2014: NASA's Curiosity Mars rover self-portrait. (AP/NASA, JPL-Caltech, MSSS)

## STARFLEET, REGION ONE MERCHANDISE

Did you know you can purchase merchandise with the Region One logo on it at any time? Just go to the Donner's Country Crafts LLC website at <http://www.donnerstore.org> and click on "SF- Region One" in the Categories column on the left. All merchandise is approved by the RC. We have t-shirts, mugs, ornaments, patches, and can add your name and rank and/or ship's name on most items. Check it out. I think you'll find something you like there. Represent your region at Star Trek events this year. We can also create merchandise like this for your ship or department. There is no minimum order required. Contact us if you have questions at [owner@donnerstore.org](mailto:owner@donnerstore.org).

**[Note: Donner's Country Crafts LLC is not associated with Star Trek, Starfleet, or Region One in any way.]**

**OTHER INFO**

**MEETING DATE :** 2014-07-01

**PROMOTIONS :** SCC: 71050 Carl Mogilka  
PROMOTED TO Ensign on 07/16/2014

**ACTIVITIES:**

-Collected a total of 47 Campbell Soup Labels for Education this month which will be added to our tally for the summer and be turned in when the new school year begins in mid-August

-8 members participated in our monthly online gaming session of Modern Warfare: Black Ops II which was held on 12 July. We had two members from the USS George Washington.

-Collected and shipped 2 care packages overseas to servicemen deployed.

-Working with the chapters two shuttles on chapter publication items.

-Recruited 16 over the past month, 7 remain while the other 9 joined the two shuttles that we sponsored. We still have two families still deciding to join or not which would be a total of 9 more.

-Completed 28 SFA courses and 1 SFMCA Course during this reporting period

**COMMENTS:**

Having to reorganize the chapter leadership and train and mentor newer members as the core experienced members begin to take on the challenges of organizing and launching of there own chapters.

We have launched two chapters in June and we have two groups desiring to launch there own. Not sure of any rules to the number a chapter can support, but I am not sure if we could support them due to a newer command staff do not have the experience. The two groups are currently calling themselves the USS Panther and USS Gallifrey projects.

# Region One Summit 2015

## 1,001 Orion Nights

Do Not ask for whom the dice roll....

....they roll for thee.

It's not about the DESTINATION — It's about the TREK. If you venture to only one SUMMIT venture to OURS!

The USS INDIANA proudly presents the R-1 Summit to be held on April 10-12, 2015, at the Clarion Waterfront, 2930 Waterfront Pkwy, Indianapolis, IN 46214.

The theme will be "1,001 ORION NIGHTS".

Our "Best of Orion" is not to be missed. Request shore leave and immerse yourself in our culture, savor our cuisine, indulge in your wildest fantasies with our "Gorgeous Greens". Enjoy the live entertainment, dealers room, brand-new panels, and boogie your butt off at the M-11 Discothèque! Secure your passage on the next shuttle out — Indianapolis awaits!

Book the 'Special 40 % Off Promo Rate' of \$49 for Adults! \$28 for Kids! This includes a two night stay and Officer's Mess Saturday night! Other dinner plans? No worries: \$21 for Adults or \$12 for Kids!

Uplink our website to your PADD so you can take advantage of these exceptional offers and to also customize your experience with us! Don't forget your \$72 room rate!

Please call the Clarion Waterfront at (317) 299-8400 and ask for the STAR TREK rate.

Please call the Clarion Waterfront at (317) 299-8400 and ask for the STAR TREK rate.

**"Our future is our past"**

*The USS HELEN PAWLOWSKI NCC-8494 is a correspondence chapter of STARFLEET International. We are a Star Trek fan club that come together on a monthly basis via computer chat areas, telephone, and even video conferencing to discuss events in the Star Trek universe, whether or not your interest lie in the Classic Star Trek, Star Trek: The Next Generation, Star Trek: Deep Space Nine, Star Trek: Voyager or Star Trek: Enterprise.*

*Many of our crew enjoy going to the movies, to Star Trek and other Sci-Fi conventions. A great part of being able to experience the dream of Gene Roddenberry gives many of us the opportunity to help our community by volunteering in community projects such as the Angel Tree Project over Christmas and the US Marine Corps Toys for Tots.*

*While many volunteer to participate, others do not, but our main goal is to have FUN!*
